# Complete peace of mind

It's bad enough to be left out in the cold when you suffer a boiler failure, but even worse could be the repair bills! That's why a ServiceCare Plan from Jersey Gas really does make so much sense.

For a small monthly fee that you can budget for, you'll be safe in the knowledge that all major parts, and labour costs too with our top plans, are all covered. Just make the call and we'll do the rest.

# It's easy to protect yourself

We offer a choice of Gold, Silver or Bronze ServiceCare Plans, all of which are explained inside this leaflet. You can also add on our Cover Plus Plan which covers labour costs for your other gas appliances. Interested? Then simply get in touch and let us help give you that added peace of mind.
